## 1928 BMW R63 matching numbers with original german registration papers

Year: 1928

### Description:

1928 BMW 750cc OHV R63 very rare and fast early BMW runs very good and a very fast bike for its age. It comes with original german registration papers. The 24hp motor has plenty of torque, as you might expect, and spun up well to a satisfying if not thrilling top speed of around 75mph. This is an exiting bike to drive with all original numbers. A superb investment object. Price on demand
