

Dutch Lion Motorbikes

A close-up photograph of a Zündapp KS750 oil pump. The pump is a complex metal assembly with a large, dark, cast-iron gear at the top. The gear has several teeth and shows signs of wear. Below the gear is a cylindrical housing with various ports and a central shaft. The pump is mounted on a metal base with several screws and bolts. The background is a light-colored, textured surface, possibly a workbench.
